## Fraction Roll, Shake and Dump

Roll a die. Put that number of counters in your cup. Shake your cup and dump out your counters. Write a fraction to describe the number of red counters and yellow counters.

| \# Rolled <br> (\# Of <br> counters) | Yellow <br> counters | Red <br> counters | Draw It | Fraction of <br> yellow <br> counters | Fraction <br> of red <br> counters |
| :--- | :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
